STATEMENT OF OBJECTS AND REASONS.

Following recommendations made by the Select Committee of the Legislative Assembly on the Indian Mines (Amendment) Bill of 1928 and by the Royal Commission on Labour, both Houses of the Legislature, in dealing with a Draft Convention relating to hours in coal mines, adopted in 1932 a resolution recommending the examination of the possibility of reducing the statutory limits of hours in mines. In pursuance of this resolution, the question has been examined by the Government of India in consultation with the Local Governments and the interests concerned; and they consider that it is desirable to reduce the statutory limits of hours in the manner proposed in the Bill.

2. The opportunity has been taken to include in the Bill certain other amendments to the Indian Mines Act. These amendments and the amendments dealing with hours are explained in the Notes on Clauses: the more important ones relate to points brought to notice by the Royal Commission on Labour.

F. NOYCE.

NEW DELHI;

The 16th January, 1935.

NOTES ON CLAUSES.

Clause 2 raises from 13 to 15 years the minimum age for employment in a mine. The Labour Commission recommended an age of 14, but the Government of India consider that the raising of the age to 15 is desirable in view of the fact that a full adult day can be worked by all who are not "children", and they believe that the change proposed would give rise to no serious difficulty.

A definition of the word "day" has become necessary in connection with the new hours of employment provisions in clause 6.

The word "shift" is at present used in the Mines Act to connote what is termed a "relay" in the Factories Act. The opportunity has been taken to substitute "relay" for "shift" where it occurs and to define "relay" in the terms used in the Factories Act.

Clause 3 is designed to make the representation of mine workers on Mining Boards equal to that of employers, and follows a recommendation of the Labour Commission.

Clause 4 is intended to provide for the maintenance of statistics of minor accidents the investigation of which might lead to an improvement in safety measures; it embodies, in a modified form, a recommendation of the Labour Commission.

Clause 5 is designed to make it obligatory for Local Governments to publish the reports of Courts of Inquiry, and represents a modification of a recommendation of the Labour Commission.

Clause 6:—

New section 22A.—This reproduces the provision in the existing section 23 (*1*) (*a*).

New sections 22B and 22C.—The present and proposed limits of hours are as follows:—

	Present limits.	Proposed limits.
(*a*) Above ground	60 weekly	54 weekly.
	12 daily	10 daily.
(*b*) Below ground	54 weekly.	
	12 daily	9 daily.

As the new section 22C also provides that the hours of work below ground shall be reckoned from the time the first worker of a relay leaves the surface to the time the last worker of the same relay returns to the surface, the average working time below ground will be substantially less than nine hours.

A spreadover of 11 hours for workers above ground has been provided in order to permit of the grant of adequate rest intervals.

New section 22D.—This is required to meet difficulties arising out of the working of relays and is based on section 46 of the Factories Act.

Clause 7.—This reproduces sub-section (*2*) of existing section 23.

Clause 8 removes the present restriction on the simultaneous presence underground of two relays of workers so as to enable one relay to go out as another is coming in. The proposed section 22C provides a sufficient safeguard against the danger of abuse arising through overlapping relays underground.

Clause 9 is intended to provide for the exhibition in the notice referred to in existing section 23B of the rest intervals granted to workers above ground, and to make it clear that persons can only be employed within the hours indicated by the notice.

Clauses 10 and 11 contain consequential amendments.

Clause 12 adds to the existing section 28 the requirement that particulars of rest intervals should be entered in the register, and provides for a record of persons underground, where this is necessary in the interests of safety.

Clause 13 contains consequential amendments.

Clause 14 is designed to eliminate the necessity of referring drafts of regulations to those Mining Boards which may not be concerned with the subject matter of the regulations.

Clause 15 is consequential on clause 4.

Clause 16 empowers the Governor General in Council to attach conditions to exemptions from the provisions of the Act, where necessary. At present exemptions, when granted, must be unconditional.

Proclamation of Sale.

[See Rule 29.]

NOTICE is hereby given that, under rule 28 in Schedule II to the Bengal Public Demands Recovery Act, 1913, an order has been passed by me for the sale of the property mentioned in the annexed schedule, in satisfaction of the claim of the certificate-holder under the certificate mentioned below amounting, with costs and interest up to date of sale, to the sum of Rs. 132-11-8—

Certificate No. 14M. of 1933-34, under which State Secretary is the certificate-holder and Sudhirendra Kumar Sannyal and another are the certificate-debtors.

The sale will be by public auction, and the property will be put up for sale in the lots specified in the schedule. The sale will be of the property of the certificate-debtors abovenamed as mentioned in the schedule below.

In the absence of any order of postponement, the sale will be held by the undersigned at 12 o'clock on the 18th March 1935 at the Malda Certificate Court. In the event, however, of the debt above specified, and of the costs of the sale, being tendered or paid before the knocking down of any lot, the sale will be stopped.

At the sale the public generally are invited to bid, either personally or by duly authorised agent. The following are the further conditions of sale :—

1. The particulars specified in the schedule below have been stated to the best of the information of the Certificate Officer ; but the Certificate Officer will not be answerable for any error, misstatement or omission in this proclamation.
2. The amount by which the biddings are to be increased shall be determined by the officer conducting the sale. In the event of any dispute arising as to the amount bid, or as to the bidder, the lot shall at once be again put up to auction.
3. The highest bidder shall be declared to be the purchaser of any lot, provided always that he is legally qualified to bid, and provided that it shall be in the discretion of the officer holding the sale to decline acceptance of the highest bid when the price offered appears so clearly inadequate as to make it advisable to do so.
4. For reasons recorded, it shall be in the discretion of the officer conducting the sale to adjourn it, subject always to the provisions of rule 32 in Schedule II to the Bengal Public Demands Recovery Act, 1913.
5. In the case of movable property, the price of each lot shall be paid at the time of sale or as soon after as the officer holding the sale directs, and in default of payment the property shall forthwith be again put up and re-sold.
6. In the case of immovable property, the persons declared to be the purchaser shall pay immediately after such declaration a deposit of 25 per cent. on the amount of his purchase-money to the officer conducting the sale, and in default of such deposit the property shall forthwith be put up again and re-sold.
7. The full amount of the purchase-money shall be paid by the purchaser before the office of the Certificate Officer closes on the fifteenth day after the sale of the property, exclusive of such day, or if the fifteenth day be a Sunday or other holiday, then on the first office day after the fifteenth day.
8. In default of payment of the balance of the pruchase-money within the period allowed the property shall be re-sold after the issue of a fresh notification of sale. The deposit, after defraying the expenses of the sale, may, if the Certificate Officer thinks fit, be forfeited to the Government, and the defaulting purchaser shall forfeit all claims to the property or to any part of the sum for which it may be subsequently sold.

Bills introduced in the Bengal Legislative Council, Reports of Select Committees presented or to be presented to that Council, and Bills published before introduction in that Council.

BENGAL LEGISLATIVE COUNCIL DEPARTMENT.

NOTIFICATION.

No. 1115L.C.—25th February, 1935. — The following report of the Select Committee on the Court-fees (Bengal Amendment) Bill, 1935, with the Bill embodying amendments recommended by the Committee, is hereby published for general information:—

Report of the Select Committee on the Court-fees (Bengal Amendment) Bill, 1935.

We, the members of the Select Committee of the Bengal Legislative Council to which the Court-fees (Bengal Amendment) Bill, 1933, was referred by a motion carried in the Bengal Legislative Council on the 11th December, 1934, have the honour to submit this our report with the Bill embodying amendments recommended by us annexed. All matter recommended to be omitted by the Select Committee has been printed in *italics* and enclosed in square brackets and all new matter recommended to be inserted has been underlined.

2. The Bill was published in English in the *Calcutta Gazette* of the 18th January, 1934.

3. We do not consider that the Bill has been so altered as to require republication.

4. The Committee met for the first time on the 29th January, 1935, and concluded its sittings on the 5th February, 1935.

5. The more important changes made in the Bill are as follow :—

Clause 1.—We have altered the figures "1933" to "1935".

Clause 3.—In clause 3 in proposed section 2 (*3*) we have provided that the Collector may not delegate his powers to any officer below the rank of a sub-deputy collector.

(*2*) In clause 3 in proposed section 2 (*4*) we have provided that a suit shall include an appeal from a decree only, as appeals from interlocutory and other orders were obviously not intended to be included.

We have omitted the latter portion as being unnecessary, as paragraphs v, vi and vii of section 19 refer only to the law in force in Madras which has no application in Bengal.

Clause 6.—We have provided in proposed section 6 (*1*) that normally, before a document can be filed, etc., in mufassal courts or in public offices the proper court-fee shall have already been paid. We have, however, provided a relaxation of this rule in proposed section 6 (*2*) whereby a court may receive a plaint or memorandum of appeal with insufficient court-fees, but such plaint or memorandum of appeal will not be registrable until a reasonable sum, to be assessed summarily by the court, on account of court-fee has been paid within a time to be fixed by the court. This follows, in a modified form, the existing proviso proposed by clause 6 of the Bill as introduced, which we have, accordingly, omitted.

Clause 7.—We have recommended the omission of the proposed provisos to clause iv of section 7. The first is otiose, as we propose to omit proposed paragraph viB from clause 7(*5*). We do not consider that the restriction referred to in the second proviso is necessary.

(*2*) We have, by a majority, recommended an important change in clause 7(*3*) by providing that, instead of the court, in the first instance, proceeding on the basis of the market-value, as in the Bill as introduced, it shall compute the court-fee chargeable at 15 times the nett profits ; we have further provided that if the amount of profits is in doubt, the court may assess them. Only when the court cannot readily ascertain or assess the nett profits shall the fee be charged according to the market-value. We consider this method more equitable.

(*3*) In sub-clause (*5*) we have omitted clause (*a*) of paragraph viA, with the proviso, and have provided in clause 19 of the Bill, by amendment of Schedule II, that a fixed fee of Rs. 15 shall be charged in cases of claims of all kinds in respect of joint property.

We have further limited the application of paragraph viA to cases where there is ouster in order to assimilate the statute law to the prevailing case law.

(*4*) We have, by a majority, omitted paragraph viB as we do not consider the proposed change to be necessary.

Clause 8.—The omission of proposed section 7A follows as a consequence of the various changes made by our recommendations whereby valuation is left to be decided by the courts at their discretion.

(*2*) We have, by a majority, recommended the omission of proposed section 7B as we think it inequitable that any such court-fee should be paid in Land Acquisition cases.

Clause 9.—Proposed sections 8A to 8D have been omitted and re-drafted as new proposed sections 8A and 8B.

The principal modification suggested by us, and contained in proposed section 8B, is a direction to the court to come to a preliminary finding, at the earliest opportunity, on the question whether a sufficient court-fee has been paid on a plaint or memorandum of appeal, and to stay further proceedings in the case until the correct court-fee has been paid or a sufficient security for due payment has been furnished. Failing this, the case shall be dismissed. We do not consider that these provisions should extend to other classes of court-fees.

In proposed section 8A we have provided that further particulars need not be furnished if they already appear in the plaint. As other rule-making powers have been eliminated from proposed section 35A in clause 17, there is no object in requiring that the form of the statement should be prescribed in statutory rules, and we have remedied this by a small amendment.

Provision has been made in clause 12, as re-drafted, for the recovery of insufficient court-fees in certain limited instances as a public demand.

(*2*) We have provided in proposed section 8E that the court itself and no other authority should hold or direct inquiry into the valuation of suits. The reference to the holding of an inquiry by the Collector, in certain cases, has, therefore, been omitted.

(*3*) Sub-section (*2*) of proposed section 8E has been transferred as proposed sub-section (*2*) of proposed section 8F as being more appropriate in that context.

We have, however, made an emendation by which it is left to the court to determine what party to the suit should pay for the costs of the inquiry, as we foresee that the original provisions as introduced may operate inequitably.

We have further provided that costs may be called for from time to time, so as to avoid the somewhat harsh provisions of proposed section 8-I (*2*).

(*3*) The emendation in proposed section 8F, as originally introduced, and now 8F(*1*) is merely consequential.

(*4*) Proposed section 8G has been omitted consequentially upon our decision to restrict the inquiry as to valuation of suits to the courts.

(*5*) The changes in proposed sections 8H and 8-I (*1*) are purely consequential.

Proposed sub-section (*2*) of section 8-I has been omitted as unnecessary as provision for this has already been made by our amendment of proposed section 8F(*2*).

(*6*) The Committee, by a majority, did not see the necessity for a statutory provision such as proposed section 8J and have, therefore, omitted it.

(*7*) In the case of proposed section 8K, the majority of the Committee came to the conclusion that the benefit sought by this provision would be illusory owing to the many varying factors which frequently have to be taken into consideration in valuations, and felt that it would be extremely difficult to try and regulate the procedure for such valuations by rules framed by the executive. They have, therefore, recommended the omission of this section.

Clause 11.—The Committee have recommended the omission of proposed section 11 (*2*) as being unnecessarily harsh and also inequitable.

Clause 12.—The changes in this clause are to be read with the re-draft of proposed new sections 8A and 8B. We have also provided for the recovery of court-fees in certain cases as a public demand.

Clause 14.—The omission of sub-clause (*b*) is merely consequential.

Clause 17.—We have omitted this clause as being unnecessary in view of the emendations recommended by us in the provisions of the Bill referred to in sub-clauses (*a*), (*c*), (*d*) and (*e*) of sub-clause (*2*).

The only case in which the Bill, as altered by us, requires the Local Government to prescribe anything in the nature of a rule is the provision in proposed section 8A as to the form of the statement of particulars of the subject matter of suits. As we have provided for this in proposed section 8A itself, there is no necessity for retaining this rule-making section.

Clause 18.—Sub-clause (*1*) has been omitted as consequential on the omission of proposed section 7B in clause 8.

(*2*) Sub-clause (*2*) has been omitted as this matter is being more fully dealt with by the Court-fees (Bengal Amendment) Bill, 1935, to be introduced in the current session by the Hon'ble the Finance Member.

Clause 19.—Sub-clause (*a1*) has been inserted in place of clause (*a*) omitted from proposed paragraph viA in clause 7(*5*).

(*2*) In sub-clause (*2*), we have substituted a fee of " fifteen " rupees for " one-hundred " rupees as we consider the former figure to be a reasonably sufficient fee for the kind of case to which it relates.

Clause 20.—The omission of this clause is consequential on the omission of clause 18 (*2*) which it was designed to supplement.

We recommend that the Bill, as reported on by us, be passed.

The official members on the Committee desire to make it clear that as the changes made in clause 6 (*2*), proposed sub-section (*2*) of section 6 and clause 7 (*3*), proposed paragraph v of section 7 require the previous sanction of the Governor-General and the Governor respectively they are unable to accept responsibility for them in the absence of such sanction.

N. B.—The signatures of Babu Jatindra Nath Basu and Khan Bahadur Muhammad Abdul Momin had not been received up to the time of publishing the Report.

Minute of dissent by Maharaja Sris Chandra Nandy, of Kasimbazar, M.L.C.

It was the considered opinion of the Taxation Enquiry Committee that the imposition of court-fees should generally follow the cost of service principle. "While the pitching of scale of fees so as to produce a revenue just sufficient to cover all the costs of the administration of civil justice is an ideal to be aimed at," to quote the report of the Committee, "financial considerations may justify the state charging something more, provided that the fees charged are not such as to cause substantial hardship to any class and particularly to the poorer litigants." No one will deny that the administration of justice in this province yields a substantial surplus over and above the outlay involved in it and that the charges of litigation should have to be considerably curtailed if justice is to be made available to the poorer people. If therefore any amendment to the existing Act is to be carried it needs to be carried out in a manner so as to make administration of justice less costly. The attempt to charge the basis of valuation in respect of suits relating to land is an ingenious method of enhancement of receipts under court-fees and is therefore to be deprecated.

It is on this ground generally that I cannot approve of the changes sought to be made in sub-clauses (*3*), (*4*) and (*5*) of clause 7, relating to the valuation in suits relating to land. Under the existing Act different criteria are provided for different kinds of property. A permanently settled estate or a definite share of it separately assessed and entered in the Collector's register, is to be valued at 10 times the annual revenue; a temporarily settled estate, or a definite share of it separately recorded as paying revenue to the Government, at five times the annual revenue; a revenue free property at fifteen times the nett profits of the preceding year, and where no such nett profits have arisen with reference to the value of the similar land in the neighbourhood; part of a revenue-paying estate not separately assessed, at the market-value of land; houses and gardens also at the market-value. This appears to be a fair and equitable method of valuation. Besides it must be borne in mind that if in certain categories of lands the original Act did not seek to introduce the principle of valuation according to market-value there had been certain cogent administrative reasons behind it, not to speak of the historical reasons. There are no doubt anomalies in the working of the present Act; but the procedure suggested in clauses 7(*3*), (*4*) and (*5*) of the amending Bill is most certainly not the way of removing them. On the other hand the expression "market-value" itself is a vague one as it is uncertain and variable and when the ascertainment of value under this principle is left at the discretion of the Collector any number of complexities and difficulties may arise under this system.

Besides another very important principle is involved in this new method of valuation. I do not like to enter into the question whether land revenue in the permanently-settled areas has any relation to the actual value of the land. What I like to emphasise at the present moment is that the Government is clearly not justified to take advantage of the increased value of the land in adding to the public revenue by an indirect encroachment on the Permanent Settlement. In Bihar and Orissa and Madras, in the case of permanently settled estates court-fee has been made payable upon 20 times the revenue payable and in the case of estates not permanently settled court-fee has been made payable upon 10 times the revenue. If the Government thinks that the valuation made in section 7 of the Court Fees Act is an under-valuation, I can well understand a proposal for increment in the lines of the amending Act in Bihar and Orissa and Madras. Certainly the amount of land revenue paid is a more stable factor than a fluctuating market-value, a method which would entail an element of undue hardship on the litigant public and at the same time, plenty of administrative difficulties.

My colleagues propose a modification of sub-clause (*3*) of clause 7 by introducing the principle of nett profits. I do not see how this principle will improve matters in any way. My objections as to the principle of market-value apply *mutatis mutandis* to the principle of nett profits as well.

Subject to the above I generally agree with the changes in the Bill proposed by my colleagues.

Minute of dissent by Mr. A. R. E. Lockhart, M.L.C.

Clause 8 (proposed section 7B).—I do not agree to the omission by the Select Committee of proposed section 7B. It is a common knowledge that excessive claims are frequently made in references in land acquisition cases because there is no charge for such references. In the great majority of cases the Collector's award is upheld and the time of the court has thus been wasted by what was probably a frivolous reference. Legitimate grievances need not be discouraged by the clause in question as provision is made in the Land Acquisition Act that the costs of the reference, including the Court-fee, will ordinarily be paid by the Collector if the award goes against him. Genuine applicants for a slight and not fantastic increase in the claims, if not successful, would not be charged an amount incommensurate with the time of the Court involved in the hearing of the reference. I suggest this clause be reinstated.

Minute of dissent by Maulvi Abul Quasem, M.L.C.

Although I gladly recognise that the Bill has emerged from the Select Committee shorn of some of its most objectionable features, I am bound to say that there are still provisions which in my opinion cannot be supported. The primary object of the Bill is stated to be to provide a suitable machinery for preventing the evasion of the existing law relating to court-fees, but provisions have been included which are bound to have the effect of increasing court-fees, and which, therefore, must be resisted. I would refer in particular to clause 7, sub-clause (*3*) of the Bill, wherein a totally new paragraph has been recommended to be substituted for the existing paragraph V in section 7 of the Act. The existing paragraph recognises and provides for the difference that actually exists in the value of different kinds and classes of land; the substituted clause ignores this difference and prescribes a uniform fee of fifteen times the nett profits, where these are readily ascertainable. This is manifestly improper and unjust and would work intolerable hardship. The paragraph as originally proposed in the Bill would seem to have been better and less objectionable. Little time has been allowed to record in detail my other objections to the Bill. I intend to place them all before the Council in the shape of amendments.

Minute of dissent by Maulvi Tamizuddin Khan, M.L.C.

I do not agree with the decision of the majority of the Committee in respect of clause 7 (*3*). The majority decision is that in suits for possession of lands of every kind and description the court-fees chargeable will be 15 times the nett profits arising from the same during the year next before the date of presenting the plaint. This view ignores the obvious difference in value between lands comprised in permanently-settled estates and temporarily-settled estates, permanent tenures and tenures held for a fixed period of time, holdings of occupancy *raiyats* and those of non-occupancy and under-*raiyats* and so on. It seems to be far more equitable to assess different kinds of lands according to their market-value.

I have several other points of difference with the majority view, which will be clear from the amendments I intend to move when the Bill comes up for consideration.

Minute of dissent by Mr. H. S. Suhrawardy, M.L.C.

I see no reason why in clause 7 (*3*) the fees should not be payable on the market-value and market-value only. In subsequent clauses the fees are made payable on market-value only; and it cannot possibly be within the contemplation of any Legislature to discriminate for no apparent reason. It may be useful, however, to lay down that ordinarily 15 times the nett profits may be considered as the market-value, as a guide to the assessing court, but the only criterion for assessment should be the market-value, and not 15 times the nett profits in one case, and " the market-value " in precisely a similar one.

BENGAL LEGISLATIVE COUNCIL DEPARTMENT.

NOTIFICATION.

No. 1147L.C.—26th February, 1935.—The following report of the Select Committee on the Albert Victor Leper Hospital Bill, 1935, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

Report of the Select Committee on the Albert Victor Leper Hospital Bill, 1934.

We, the members of the Select Committee of the Bengal Legislative Council to which the Albert Victor Leper Hospital Bill, 1934, was referred by a motion carried in the Bengal Legislative Council on the 18th February, 1935, have the honour to submit this our report with the Bill embodying amendments recommended by us annexed. All matter recommended to be omitted by the Select Committee has been printed in italics and enclosed in square brackets and all new matter recommended to be inserted has been underlined.

2. The Bill was published in English in the *Calcutta Gazette* of the 6th December, 1934.

3. We do not consider that the Bill has been so altered as to require republication.

4. The Committee met for the first time on the 21st February, 1935, and concluded its sittings on the 22nd February, 1935.

The more important changes made in the Bill are as follow:—

Clause 1.—We have altered the year of the Bill from "1934" to "1935."

Clause 4.—The change recommended in clause 4 (*1*) (*d*) is to guard against the contingency that might arise from the possible change in the jurisdiction of Public Works Divisions in Calcutta.

(*2*) We think it better to leave the method of the election of the two trustees contemplated in clause 4 (*1*) (*f*) to the Corporation of Calcutta.

(*3*) The change proposed in clause 4 (*1*) (*g*) is mainly verbal.

(*4*) We do not see the necessity of qualifying the associations referred to in clause 4 (*1*) (*h*) by the use of the word "voluntary" and have recommended the omission of this word.

(*5*) The emendation proposed by us in clause 4 (*3*) is merely verbal.

(*6*) We think it desirable that the term of office of elected and appointed members should be five years instead of three years as in clause 4 (*4*) of the Bill as introduced and we have amended the clause accordingly.

(*7*) The change suggested in clause 4 (*5*) is merely verbal.

Clause 7.—We have altered clause 7 on the lines of clause 8 enabling the Government contribution to be increased, if Government thinks fit.

Clause 17.—The proposed deletion of clause 17 (*2*) (*a*) is consequential on the alteration made in clause 4 (*1*) (*f*).

(*2*) We do not think that any allowances should be payable to the Trustees and have deleted clause 17 (*2*) (*c*) accordingly.

(*3*) We have included in 17(*2*) (*e*) the rule-making powers provision for preparation of an annual report as well as maintenance of a record of proceedings, and for submission of copies to the Corporation of Calcutta as well as to Government.

(*4*) We do not think that the Superintendent should be allowed to enter into any contracts and have omitted him from clause 17 (*2*) (*f*).

(*5*) The emendation proposed in clause 21 is verbal.

The Schedule, Part III.—We are informed that the changes now made are necessary on the ground of greater accuracy.

We recommend that the Bill, in the form as reported on by us, be passed.

Minute of dissent by Mr. S. M. Bose, M.L.C.

I sign the Report of the Select Committee subject to this minute of dissent.

Clause 9.—There is no reason why the sum of Rs. 5,000 should be earmarked for repairs to the buildings *existing at the date of the commencement of this Act.* It is said that unless these words stand, the Trustees will spend the whole of this sum for repairs, etc., to new buildings, neglecting the old. It is to be noted that twelve out of the fifteen Trustees under clause 4 of the Bill are *ex officio* Government servants or nominated by Government. It is surely not too much to expect that the Board so constituted will perform its duties properly, and I see no reason why Government should not trust them.

Further, I understand that a good portion of the buildings now existing are old and are likely to be pulled down and new ones erected. In course of time, the existing buildings are all likely to be replaced by new ones. So it will not be possible to spend the whole of this sum of Rs. 5,000 in repairs of the buildings "existing at the date of the commencement of this Act."

I therefore think that these words should be omitted.

Minute of dissent by Babu Sarat Chandra Mittra, M.L.C.

Clause 9.—The Government having agreed to a grant not exceeding rupees five thousand per annum for repairs, I think that it will not be fair and equitable to restrict the application of the grant to repairs to the buildings in existence at the commencement of the Act.

Minutes of dissent by Rai Bahadur Dr. Haridhan Dutt, M.L.C., and Mr. C. C. Cooper, M.L.C.

Clause 9.—I sign subject to my right to move for the omission of the words "existing at the date of the commencement of this Act" from lines 4-5 of clause 9.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 22nd January, 1935 :—

L. A. BILL No. 2 OF 1935.

A Bill to amend the Indian Naturalization Act, 1926, for certain purposes.

WHEREAS it is expedient to amend the Indian Naturalization Act, 1926, for the purposes hereinafter appearing ; It is hereby enacted as follows :— VII of 1926.

Short title and commencement.

1. (*1*) This Act may be called the Indian Naturalization (Amendment) Act, 1935.

(*2*) It shall come into force on such date as the Governor General in Council may, by notification in the Gazette of India, appoint.

Amendment of section 7, Act VII of 1926.

2. In sub-section (*1*) of section 7 of the Indian Naturalization Act, 1926 (hereinafter referred to as the said Act), the words "the wife of any such person" shall be omitted, and to the said sub-section the following words shall be added, namely :— VII of 1926.

"and the wife of any such person to whom a certificate of naturalization is granted after the commencement of the Indian Naturalization (Amendment) Act, 1935, shall, if not already a British subject, in like manner be so deemed and be so entitled and so subject, if within one year, or such longer period as the Local Government may in special circumstances allow, from the date of the taking and subscribing of such oath by her husband, she makes to the Local Government a declaration that she desires to be deemed to be a British subject ".

Amendment of section 9, Act VII of 1926.

3. In sub-section (*2*) of section 9 of the said Act,—

(*a*) before the proviso the following proviso shall be inserted, namely :—

"Provided that no such order shall be made in the case of a wife unless by reason of the acquisition by her husband of a new nationality she has also acquired that nationality "; and

(*b*) in the existing proviso, after the word "Provided" the word "further" shall be inserted.

Amendment of section 10, Act VII of 1926.

4. To sub-section (*2*) of section 10 of the said Act the following proviso shall be added, namely :—

"Provided that the wife of any such person shall not cease to be deemed to be a British subject under this sub-section, unless by reason of the acquisition by her husband of a new nationality she has also acquired that nationality."

STATEMENT OF OBJECTS AND REASONS.

The Bill relates to the national status of married women and is introduced to give effect, so far as this is required, to the articles, reproduced below, of a Convention on matters relating to the Conflict of Nationality Laws which was concluded under the auspices of the League of Nations in 1930. The Bill provides that a married woman whose husband acquires British Indian Nationality during marriage shall only acquire such nationality if she makes a declaration of her desire to do so. It also protects such a woman from loss of British Indian Nationality as a consequence of the loss of such nationality by her husband unless by reason of the acquisition of a new nationality by her husband she also has acquired that nationality. Articles 8 and 11 of the Convention do not involve any amendment of the Indian Act. The British Nationality and Status of Aliens Act, 1914, has been amended so as to bring it into accord with Article 8 and it was already in accord with Article 11.

NEW DELHI, H. D. CRAIK.

The 8th January, 1935.

CONVENTION ON CERTAIN QUESTIONS RELATING TO THE CONFLICT OF NATIONALITY LAWS.

CHAPTER II.—NATIONALITY OF MARRIED WOMEN.

Article 8.

If the national law of the wife causes her to lose her nationality on marriage with a foreigner, this consequence shall be conditional on her acquiring the nationality of the husband.

Article 9.

If the national law of the wife causes her to lose her nationality upon a change in the nationality of her husband occurring during marriage, this consequence shall be conditional on her acquiring her husband's new nationality.

Article 10.

Naturalization of the husband during marriage shall not involve a change in the nationality of the wife except with her consent.

Article 11.

The wife who, under the law of her country, lost her nationality on marriage shall not recover it after the dissolution of the marriage except on her own application and in accordance with the law of that country. If she does recover it, she shall lose the nationality which she acquired by reason of the marriage.

3. In these rules "lead compound" means any compound of lead, other than galena, or any mixture which contains a compound of lead, other than galena, and which, when treated in the manner prescribed in rule 4, yields to an aqueous solution of hydrochloric acid a quantity of soluble lead compound exceeding, when calculated as lead monoxide, five per cent. of the dry weight of the portion taken for analysis. 10. Where dust or fume from a lead compound is produced in any operation provision shall be made for drawing the fume or dust away from every such person by means of an efficient exhaust draught so contrived as to operate on the dust or fume as nearly as may be at its point of origin.

11. No food, drink or tobacco shall be brought into, or consumed in, any room in which any such person is employed.

12. Adequate protective clothing in a clean condition shall be provided by the employer for and worn by every such person.

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly, and Bills published under Rule 18 of the Indian Legislative Rules

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 12th February, 1935:—

L. A. BILL No. 5 OF 1935.

A Bill further to amend the Code of Criminal Procedure, 1898.

WHEREAS it is expedient further to amend the Code of Criminal Procedure, 1898; It is hereby enacted as follows:— V of 1898.

Short title.

1. This Act may be called the Code of Criminal Procedure (Amendment) Act, 193 .

Amendment of section 103, Act V of 1898.

2. In section 103 of the Code of Criminal Procedure, 1898,— V of 1898.

(*i*) in sub-section (*1*) for the word "locality" the word "neighbourhood" shall be substituted; and

(*ii*) the following new proviso shall be added to sub-section (*2*), namely:—

"Provided that no evidence other than the list drawn up in accordance with the provisions of this section shall be admitted to prove the articles discovered during the search."

STATEMENT OF OBJECTS AND REASONS.

Section 103 of the Code is practically a dead letter. The word "locality" has been judicially interpreted as not to mean the same quarter of the town as the place searched and it has been ruled that the stress is on the word "respectability" and not on the word "locality". This has led to the view that failure to call inhabitants of the locality as witnesses does not make a search illegal (21 Madras 83). This could hardly have been the intention of the framers of this section. In order to remove this ambiguity it is proposed to substitute the word "neighbourhood" and add a proviso to sub-section (2). This proviso will not permit the admission of evidence if the provisions of section 103 are not strictly complied with. The object of these provisions has been stated to be as aiming against possible chicanery and unfair dealings on the part of the officers conducting the searches and was made to ensure confidence that anything incriminating which may be found in the premises searched shall really be found and shall not be planted. This section really contemplates the presence of two respectable witnesses of the locality unconnected with the Government and its officers (4 Cr. L. J. 390). The present amendment is intended to invalidate the search if not conducted strictly in accordance with the provisions of this section.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 12th February, 1935:—

L. A. BILL No. 6 OF 1935.

A Bill further to amend the Code of Criminal Procedure, 1898.

WHEREAS it is expedient further to amend the Code of Criminal Procedure, 1898; It is hereby enacted as follows:— V of 1898.

Short title.

1. This Act may be called the Code of Criminal Procedure (Amendment) Act, 193 .

Amendment of section 406, Act V of 1898.

2. In section 406 of the Code of Criminal Procedure, 1898, the following proviso shall be omitted, namely: V of 1898.

"Provided that the Local Government may, by notification in the local official Gazette, direct that in any district specified in the notification appeals from such orders made by a Magistrate other than the District Magistrate or a Presidency Magistrate shall lie to the District Magistrate and not to the Court of Session."

STATEMENT OF OBJECTS AND REASONS.

This amendment is necessary because of the fact that District Magistrate himself in most cases initiates proceedings for keeping the peace. To expect him to do justice in appeal is really expecting too much from human nature. So long as District Magistrate occupies the position as the head of the police and of executive authorities of the District, these appeals should not be heard by him.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 12th February, 1935:—

L. A. BILL No. 7 OF 1935.

A Bill further to amend the Code of Criminal Procedure, 1898.

WHEREAS it is expedient further to amend the Code of Criminal Procedure, 1898; It is hereby enacted as follows:— V of 1898.

Short title.

1. This Act may be called the Code of Criminal Procedure (Amendment) Act, 193 .

Repeal of section 30, Act V of 1898.

2. Section 30 of the Code of Criminal Procedure, 1898 (hereinafter referred to as the said Code), shall be repealed. V of 1898.

Repeal of section 34, Act V of 1898.

3. Section 34 of the said Code shall be repealed.

Amendment of section 34A, Act V of 1898.

4. In section 34A of the said Code,—

(*i*) the word and figures "and 34" shall be omitted; and

(*ii*) the word "and" shall be inserted between the figures "31" and "32".

Amendment of section 35, Act V of 1898.

5. In clause (*b*) of the proviso to sub-section (*2*) of section 35 of the said Code, the brackets, words and figures, "(other than a Magistrate acting under section 34)" shall be omitted.

STATEMENT OF OBJECTS AND REASONS.

These provinces having acquired the status of Governor's province, such a discrimination shall no longer be permitted. The accused charged with serious offences are not satisfied with the trial held before Magistrates who are especially empowered under these sections. In most cases the Magistrates in their zeal to show, what they term good disposal, hurriedly proceed with the trial with the result that cool and calm consideration of the facts of the case is not possible as is actually the case in Sessions trials. As the administration is being reformed it is desirable that standard of judicial administration be also raised in these provinces in order to inspire greater confidence in the Courts.

(*ii*) where the employment is under a contract, by the contractor.

(*1*) The wages of every employed person shall be paid before the expiry of the seventh day from the last day of the wage-period in which the wages have been earned, unless the seventh day is a non-working day, in which case the wages shall be paid before the expiry of the first working day subsequent to such non-working day.

(*2*) Where the employment of any person is terminated by or on behalf of the employer, the wages earned by him shall be paid before the expiry of the second working day from the day on which his employment is terminated.

(*3*) Where the Local Government is satisfied that owing to special difficulties relating to the calculation or distribution of wages, any employer or class of employers cannot with reasonable diligence make payment within the time specified, it may, by general or special order, exempt to such extent and subject to such conditions as it may think fit such employer or class of employers from the operation of this section in respect of the wages of any employed person or class of employed persons:

Provided that, notwithstanding any such exemption, such portion of any wages due as can be paid without undue risk of overpayment shall be paid within the period fixed for payment under this section.

6. (*1*) Notwithstanding the provisions of sub-section (*2*) of section 47 of the Indian Railways Act, 1890, the wages due to an employed person shall be paid to him without deductions of any kind except those authorised by this Act. IX of 1890.

Explanation.—Every payment made by the employed person to the employer or his agent shall, for the purposes of this Act, be deemed to be a deduction from wages.

(2) Deductions from the wages of an employed person shall be made only in accordance with the provisions of this Act, and may be of the following kinds only, namely:—

Deductions for services rendered.

9. A deduction under clause (*c*) or clause (*d*) of sub-section (*2*) of section 6 shall not be made from the wages of an employed person, unless the housing accommodation or other service has been accepted by him, and such deduction shall not exceed an amount equivalent to the value of the service rendered.

Rule-making power.

10. (*1*) The Local Government may, by notification in the local official Gazette, make rules for the purpose of carrying into effect the provisions of this Act.

(*2*) In particular and without prejudice to the generality of the foregoing power, such rules may—

(*a*) require the maintenance of such records, registers and returns as are necessary for the enforcement of the Act and prescribe the form thereof;

(*b*) prescribe the authority competent to authorise deductions for services under clause (*d*) of sub-section (*2*) of section 6, and the extent to which advances may be made and the instalments by which they may be recovered with reference to clause (*g*) of sub-section (*2*) of section 6;

(*c*) prescribe the acts or omissions on the part of an employed person for which fines may be imposed and the manner in which and the conditions subject to which notice of such acts and omissions shall be given under sub-section (*1*) of section 7;

(*d*) prescribe the authority competent to approve of the purposes on which the proceeds of fines shall be expended;

(*e*) prescribe the manner of giving notice of the days on which wages will be paid;

(*f*) regulate the scales of costs which may be allowed in proceedings under this Act;

(*g*) prescribe the amount of court-fees payable in respect of any proceedings under this Act; and

(*h*) regulate the procedure to be followed by the authorities appointed under sections 12 and 14.

(*3*) The power to make rules under sub-section (*1*) shall be subject to the condition of the rules being made after previous publication.

Inspectors.

11. (*1*) An Inspector of Factories appointed under sub-section (*1*) of section 10 of the Factories Act, 1934, shall be an Inspector for the purposes of this Act in respect of all factories within the local limits assigned to him. XXV of 1934.

(*2*) A Supervisor of Railway Labour appointed under sub-section (*1*) of section 71G of the Indian Railways Act, 1890, shall be an Inspector for the purposes of this Act in respect of all persons employed upon a railway to whom this Act applies. IX of 1890.

(*3*) The Local Government may, by notification in the local official Gazette, appoint such persons as it thinks fit to be Inspectors for the purposes of this Act, and may define the local limits within which and the class of industrial establishments in respect of which they shall exercise their functions.

(*4*) An Inspector may enter on any premises, and make such examination of any register or document, and take on the spot or otherwise such evidence of any person, and exercise such other powers of inspection, as he may deem necessary for carrying out the purposes of this Act.

(*5*) Every Inspector shall be deemed to be a public servant within the meaninng of the Indian Penal Code. XLV of 1860.

Claims arising out of deductions from wages or delay in payment of wages and penalty for malicious or vexatious claims.

12. (*1*) The Local Government may, by notification in the local official Gazette, appoint any person it thinks fit as the authority to hear and decide for any specified area all claims arising out of deductions from the wages or delay in payment of the wages of persons employed or paid in that area.

(*2*) Where contrary to the provisions of this Act any deduction has been made from the wages of an employed person, or any payment of wages has been delayed, such person himself, or any legal practitioner or any official of a registered trade union authorised in writing to act on his behalf, or any Inspector under this Act, or any other person acting with the permission of the authority appointed under sub-section (*1*), may apply to such authority for a direction under sub-section (*3*):

Provided that every such application shall be presented within six months from the date on which the deduction from the wages was made or from the date on which the payment of the wages was due to be made, as the case may be.

(*3*) When any application under sub-section (*2*) is entertained, the authority shall hear the applicant and the employer or other person responsible for the payment of wages under section 3, or give them an opportunity of being heard, and, after such further inquiry (if any) as may be necessary, may, without prejudice to any other penalty to which such employer or other person is liable under this Act, direct the refund to the employed person of the amount deducted, or the payment of the delayed wages, together with the payment of such compensation as the authority may think fit, not exceeding ten times the amount deducted in the former case and not exceeding ten rupees in the latter:

Provided that no direction for the payment of compensation shall be made in the case of delayed wages, if the authority is satisfied that the delay was due to a *bonâ fide* error or dispute as to the amount payable to the employed person or was due to the failure of the employed person to apply for or accept payment.

(*4*) Any amount directed to be paid under sub-section (*3*) may be recovered in the manner provided in the Code of Criminal Procedure, 1898, for the recovery of fines. V of 1898.

(*5*) If the authority hearing any application under this section is satisfied that it was either malicious or vexatious, the authority may direct that a penalty not exceeding fifty rupees be paid to the employer or other person responsible for the payment of wages by the person presenting the application, and any such penalty may be recovered in the manner provided in the Code of Criminal Procedure, 1898, for the recovery of fines. V of 1898.

Single application in respect of claims from unpaid group.

13. (*1*) Employed persons (whether on a railway or in a factory or other industrial establishment) are said to belong to the same unpaid group if they are borne on the same establishment and if their wages for the same wage-period or periods have remained unpaid after the day fixed by section 5.

(*2*) A single application may be presented under section 12 on behalf or in respect of any number of employed persons belonging to the same unpaid group, and in such case the maximum compensation that may be awarded under sub-section (*3*) of section 12 shall be ten rupees per head.

Appeal.

14. (*1*) An appeal against a direction made under sub-section (*3*) of section 12 may be preferred, within thirty days of the date on which the direction was made, before such authority as the Local Government may appoint in this behalf—

(*a*) by the employer or other person responsible for the payment of wages under section 3, if the total sum directed to be paid by way of wages and compensation exceeds three hundred rupees, or

(*b*) by an employed person, if the total amount of wages claimed to have been withheld from him or from the unpaid group to which he belonged exceeds fifty rupees.

(*2*) Save as provided in sub-section (*1*), any direction made under sub-section (*3*) of section12 shall be final.

Powers of authorities appointed under sections 12 and 14.

15. Every authority appointed under sub-section (*1*) of section 12 or section 14 shall have all the powers of a Civil Court under the Code of Civil Procedure, 1908, for the purpose of taking evidence and of enforcing the attendance of witnesses and compelling the production of documents, and every such authority shall be deemed to be a Civil Court for all the purposes of section 195 and of Chapter XXXV of the Code of Criminal Procedure, 1898. V of 1908. V of 1898.

Penalty for offences under the Act.

16. (*1*) Whoever being responsible for the payment of wages to an employed person contravenes any of the provisions of section 5, section 6, section 7, section 8 or section 9, shall be punishable with fine which may extend to five hundred rupees.

(*2*) Whoever contravenes the provisions of section 4 or of any rule made under section 10 shall be punishable with fine which may extend to one hundred rupees.

Procedure in trial of offences.

17. (*1*) No Court shall take cognizance of a complaint against any person for an offence under sub-section (*1*) of section 16, unless an application in respect of the facts constituting the offence has been presented under section 12 and has been granted wholly or in part and the authority empowered under the latter section or the appellate authority granting such application has sanctioned the making of the complaint.

(*2*) Before sanctioning the making of a complaint against any person for an offence under sub-section (*1*) of section 16, the authority empowered under section 12 or the appellate authority, as the case may be, shall give such person an opportunity of showing cause against the granting of such sanction, and the sanction shall not be granted if such person satisfies the authority that his default was due to a *bonâ fide* error or dispute as to the amount payable to the employed person or was due to the failure of the employed person to apply for or accept payment.

(*3*) No Court shall take cognizance of an offence under sub-section (*2*) of section 16 except on a complaint made by or with the sanction of an Inspector under this Act.

(*4*) In imposing any fine for an offence under sub-section (*1*) of section 16 the Court shall take into consideration the amount of any compensation already awarded against the accused in any proceedings taken under section 12.

Bar of suits.

18. No Court shall entertain any suit for the recovery of wages or of any deduction from wages in so far as the sum so claimed—

(*a*) forms the subject of an application under section 12 which has been presented by the plaintiff and which is pending before the authority appointed under that section or of an appeal under section 14; or

(*b*) has formed the subject of a direction under section 12 in favour of the plaintiff, or

(*c*) has been adjudged, in any proceeding under section 12, not to be owed to the plaintiff; or

(*d*) could have been recovered by an application under section 12.

Contracting out.

19. Any contract or agreement, whether made before or after the commencement of this Act, whereby an employed person relinquishes any right conferred by this Act shall be null and void in so far as it purports to deprive him of such right.

Powers to be exercised by Governor General in Council.

20. The powers by this Act conferred upon the Local Government shall be exercised by the Governor General in Council in any case in which the exercise of such powers affects any persons employed by a railway administration.

STATEMENT OF OBJECTS AND REASONS.

In 1926 the Government of India addressed Local Governments with a view to ascertain the position with regard to the delays which occurred in the payment of wages to persons employed in industry, and the practice of imposing fines upon them. The investigations revealed the existence of abuses in both directions, and the material collected was placed before the Royal Commission on Labour which was appointed in 1929. The Commission collected further evidence on the subject, and the results of their examination, with their recommendations, will be found on pages 216—221 and 236—241 of their Report. The Government of India re-examined the subject in the light of the Commission's Report and in February 1933 a Bill embodying the conclusions then reached was introduced and circulated for the purpose of eliciting opinion. A motion for the reference of the Bill to a Select Committee was tabled during the Delhi session of 1933-34, but was not reached, and the Bill lapsed. The present Bill is based upon the same principles as the original Bill but has been revised throughout in the light of the criticisms received when the original Bill was circulated.

F. NOYCE.

NEW DELHI;

11th February, 1935.

NOTES ON CLAUSES.

Clause 1.—The Bill applies only to the payment of wages to persons receiving less than Rs. 100 per mensem. The provisions relating to prompt payment apply in the first instance only to factory employees, and the provisions relating to deductions apply in the first instance only to factory employees and railway workers. But it is proposed to enable Local Governments to extend any or all of the provisions of the Act to any class of persons employed in any industrial establishment, or in any class or group of industrial establishments.

Clause 2.—The definition of "wages" is designed to include payments in kind, and (with certain specified exceptions) all payments however described which are to be made to an employed person in consideration of his employment.

Clause 3.—It is necessary to fix the responsibility for the payment of wages in view of the later clauses which provide for a summary remedy in cases of delay or unlawful deduction, and for penalties.

Clause 5.—This is designed to secure that wages shall ordinarily be paid within seven days of the expiry of the period within which they were earned. But it is proposed to reduce the interval to two days when an employee is discharged. The power of conditional exemption vested in Local Governments is required mainly to remove difficulties that may arise in the exact calculation of the wages of piece-workers.

Clause 6.—It is intended that the possible deductions from wages should be of the following kinds:—

(1) Deductions by way of fines [sub-clause (2) (*a*)].

(2) Deductions for damage or loss [sub-clause (2) (*b*)].

(3) Deductions for services [sub-clause (2) (*c*) and (*d*)].

(4) Deductions on account of advances [sub-clause (2) (*e*), (*f*) and (*g*)].

(5) Deductions which the employer is compelled to make [sub-clause (2) (*h*) and (*i*)].

(6) Deductions on account of payments to certain Provident Funds and Co-operative Credit Societies [sub-clause (2) (*j*) and (*k*)].

Deductions for damage or loss can be made only in respect of (*a*) goods entrusted to an employed person for custody, or (*b*) money for which he is required to account. It is not intended to permit deductions under this head in respect of damage or loss occurring in the course of a manufacturing process, *e. g.*, in respect of spoilt cloth.

Advances are classified under three heads:—

(*i*) those made before employment begins which are recoverable only from the first wage payment;

(*ii*) those made during employment on account of wages already earned, which are not subject to restriction; and

(*iii*) other advances made during employment which are to be subject to rules made by Local Governments.

Clause 7.—It is intended that fines should be imposed only for acts or omissions specified in a regular notice. In clause 10 it is proposed to give Local Governments power to prescribe by rule the acts or omissions for which fines may be imposed. It is also proposed that fines should be limited in amount, that they should not be recoverable by instalments or after undue delay, and that they should be devoted to the benefit of employees. Sub-clause (4) is designed to prevent fines being imposed on children.

Clause 8.—Deductions for damage or loss are limited to the amount of the damage or loss actually caused to the employer.

Clause 9.—Services consist of—

(*a*) housing accommodation, and

(*b*) other services approved by competent authority.

Deductions are limited to the value of the service rendered, and the service must have been accepted by the employee.

Clause 12.—It is proposed that claims on account either of delay or of deductions should be dealt with by a special authority. This authority will have power to order the payment to the claimant of the sum wrongfully withheld *plus* compensation up to ten times that sum in the case of deductions, and Rs. 10 per head in the case of delay.

Clause 13.—Delay in payment frequently affects an entire establishment; and provision is made here for the presentation of a single application on behalf of any number of employed persons who are similarly affected.

Clause 14.—It is proposed that there should be an appeal to a special authority in cases where a substantial sum is involved.

Clauses 16 and 17.—These provide for prosecutions on account of infringements of the law; but it is intended that such prosecutions should not be instituted unless a successful claim has been made under section 12 and the authority appointed under that section or the appellate authority considers a prosecution to be warranted.

Clause 18.—It is intended that persons coming under the Act should be limited to its procedure in respect of the recovery of unpaid wages.

Clause 20.—It is desirable to secure as far as possible uniform rules applicable to railway workers, particularly as one railway system may run through two or more provinces.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 13th February, 1935:—

L. A. BILL No. 9 OF 1935.

A Bill further to amend the Code of Civil Procedure 1908, for certain purposes.

WHEREAS it is expedient further to amend the Code of Civil Procedure, 1908, for the purposes hereinafter appearing; It is hereby enacted as follows:— V of 1908.

Short title.

1. This Act may be cited as the Code of Civil Procedure (Amendment) Act, 193 .

Addition of proviso to section 51, Act V of 1908.

2. At the end of section 51 of the Code of Civil Procedure, 1908 (hereinafter referred to as the said Code), there shall be added the proviso— V of 1908.

"Provided that execution by detention in prison shall not be ordered unless, after giving the judgment-debtor an opportunity of showing cause why he should not be committed to prison, the Court, for reasons recorded in writing, is satisfied—

(*a*) that the judgment-debtor, with the object or effect of obstructing or delaying the execution of the decree,—

(*i*) is likely to abscond or leave the local limits of the jurisdiction of the Court, or

(*ii*) has, after the institution of the suit in which the decree was passed, transferred, concealed, or removed any part of his property, or committed any other act of bad faith in relation to his property; or

(*b*) that the judgment-debtor has, or has had since the date of the decree, the means to pay the amount of the decree or some substantial part thereof and refuses or neglects or has refused or neglected to pay the same.

Explanation.—In the calculation of the means of the judgment-debtor for the purposes of clause (*b*), there shall be left out of account any property which, by or under any law for the time being in force, is exempt from sale in execution of the decree."

Amendment of rule 37, Order XXI in the First Schedule, Act V of 1908.

3. In sub-rule (*1*) of rule 37 in Order XXI in the First Schedule to the said Code, for the word "may" there shall be substituted the word "shall", and at the end of the sub-rule there shall be added the proviso—

"Provided that such notice shall not be necessary if the Court is satisfied, by affidavit or otherwise, that, with the object or effect of delaying the execution of the decree, the judgment-debtor is likely to abscond or leave the local limits of the jurisdiction of the Court."

Repeal of rule 40, Order XXI in the First Schedule, Act V of 1908, and insertion of new rule in place thereof.

4. Rule 40 in Order XXI in the First Schedule to the said Code together with any alterations therein or additions thereto made under section 122 of the said Code shall be repealed and in place thereof there shall be inserted the rule—

Proceedings on appearance of judgment-debtor in obedience to notice or after arrest.

"40. (*1*) When a judgment-debtor appears before the Court in obedience to a notice issued under rule 37, or is brought before the Court after being arrested in execution of a decree for the payment of money, the Court shall proceed to hear the decree-holder and take all such evidence as may be produced by him in support of his application

for execution, and shall then give the judgment-debtor an opportunity of showing cause why he should not be committed to the civil prison.

(*2*) Pending the conclusion of the inquiry under sub-rule (*1*) the Court may, in its discretion, order the judgment-debtor to be detained in the custody of an officer of the Court or release him on his furnishing security to the satisfaction of the Court for his appearance when required.

(*3*) Upon the conclusion of the inquiry under sub-rule (*1*) the Court may, subject to the provisions of section 51 and to the other provisions of this Code, make an order for the detention of the judgment-debtor in the civil prison and shall in that event cause him to be arrested if he is not already under arrest:

Provided that in order to give the judgment-debtor an opportunity of satisfying the decree, the Court may, before making the order of detention, leave the judgment-debtor in the custody of an officer of the Court for a specified period not exceeding ten days or release him on his furnishing security to the satisfaction of the Court for his appearance at the expiration of the specified period if the decree be not sooner satisfied.

(*4*) A judgment-debtor released under this rule may be re-arrested.

(*5*) When the Court does not make an order of detention under sub-rule (*2*), it shall disallow the application and, if the judgment-debtor is under arrest, direct his release."

STATEMENT OF OBJECTS AND REASONS.

This Bill is the outcome of the recommendations of the Royal Commission on Labour in India to the effect that in the case of industrial workers in receipt of wages less than Rs. 100 a month arrest and imprisonment for debt should be abolished except where the debtor has been proved to be both able and unwilling to pay. The Bill seeks to amend the Civil Procedure Code, 1908, so as to protect honest debtors of all classes, and not of the industrial worker class only, from detention in a civil prison and to confine such detention to debtors proved to be recalcitrant or fraudulent. It provides *inter alia* that no order for execution by detention in prison shall be issued unless the debtor has been given opportunity of showing cause why he should not be committed to prison, and the Court is satisfied for reasons recorded in writing that (*i*) the debtor is likely to leave the local limits of the jurisdiction of the Court, or has after the institution of the suit fraudulently disposed of his property, and (*ii*) that he is able to pay the amount of the decree otherwise than from protected assets.

2. The Bill applies to all judgment-debtors. After consultation with Local Governments the Government of India decided that in this matter there was no sufficient reason for restricting the protection to small debtors.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 13th February, 1935:—

L. A. BILL NO. 10 OF 1935.

A Bill further to amend the Code of Civil Procedure, 1908, for certain purposes.

WHEREAS it is expedient further to amend the Code of Civil Procedure, 1908, for the purposes hereinafter appearing; It is hereby enacted as follows:— V of 1908.

Short title and commencement.

1. (*1*) This Act may be called the Code of Civil Procedure (Second Amendment) Act, 1935.

(*2*) It shall come into force on such date as the Governor General in Council may, by notification in the Gazette of India, appoint.

Insertion of new section 44A in Act V of 1908.

2. After section 44 of the Code of Civil Procedure, 1908, the following section shall be inserted, namely:— V of 1908.

Execution of decrees passed by Courts in the United Kingdom and other reciprocating territory.

"44A. Where a certified copy of a decree of any of the superior Courts of the United Kingdom or any reciprocating territory has been filed in a District Court, the decree may be executed in British India as if it had been passed by the District Court.

Explanation 1.—'Superior Courts', with reference to the United Kingdom, means the High Court in England, the Court of Session in Scotland, the High Court in Northern Ireland, the Court of Chancery of the County Palatine of Lancaster and the Court of Chancery of the County Palatine of Durham.

Explanation 2.—'Reciprocating territory' means any country or territory which the Governor General in Council may, from time to time, by notification in the Gazette of India, declare to be reciprocating territory for the purposes of this section; and 'superior Courts', with reference to any such territory, means such Courts as may be specified in the said notification.

STATEMENT OF OBJECTS AND REASONS.

On the 27th February, 1924, Government introduced a Bill further to amend the Code of Civil Procedure, 1908, the object of which was to provide for the enforcement in British India of judgments obtained in the United Kingdom and in other notified parts of His Majesty's Dominions, as part of a reciprocal arrangement the other part of which consisted of the extension to British India of the provisions of Part II of the Administration of Justice Act, 1920, under which the judgments of superior Courts in India would become enforceable in the United Kingdom. The Select Committee to which the Bill was referred expressed the opinion that the Bill would not ensure a fair measure of reciprocity. The difficulty arose from the fact that under the British Act reciprocity could only be applied to judgments of "superior Courts" and most of the British Indian Courts of unlimited civil jurisdiction would not have come within the meaning of the term "superior Courts" as used in that Act. No amendment of the Indian Bill could have altered that position, and for this reason it was decided to drop the Bill. The position has now been altered by the passing of the Foreign Judgments

(Reciprocal Enforcement) Act, 1933, which provides for the extension of Part I thereof to His Majesty's Dominions outside the United Kingdom by an Order in Council, and also leaves it to the Order in Council to specify the Courts which shall be deemed as "superior" within the meaning of the Act. The Government of India have ascertained that the Lord Chancellor has no objection to the Act being applied to all Indian Courts possessing unlimited original civil jurisdiction. This removes the obstacle which stood in the way of legislation in 1925, and the present Bill substantially embodies the provisions of the old Bill with some modifications mainly necessitated by the terms of the new English Act.

Character of the season.—At the outset weather was favourable for sowing and germination. Subsequent dry weather and occasional showers helped growth and development generally. On the whole, a satisfactory crop is anticipated.

Acreage.—According to the estimates of the District Officers, the total area sown amounts to 151,800 acres this year as against 145,400 and 145,500 acres, respectively, in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn as worked out from district estimates is 88 per cent. as against 81 and 76 per cent., respectively, in the corresponding and final forecasts of last year.

Second Forecast of the Spring Oilseed Crops of Bengal, 1934-35.

(*Note.*—On an average of the five years ending 1932-33, the area under linseed in Bengal has represented some 3·6 per cent. and that under rape and mustard 10·9 per cent. of the total area under these crops in British India.)

Since then weather was helpful for growth and development generally. On the whole, a satisfactory crop is expected.

Area sown.—Oilseeds are chiefly grown in the Rajshahi, Dacca and Presidency Divisions. In the other two divisions the cultivation is not extensive. The total area under these crops (excepting sesamum for which separate forecast are issued) is returned at 888, 100 acres this year as against 860,800 acres both in the corresponding and final forecasts of last year.

Outturn.—From the District Officers' estimates, the average outturn of the different oilseed crops for the province works out at 83 per cent. of the normal as against 85 and 83 per cent. reported, respectively, in the corresponding and final forecasts of last year.

Resolution on the Annual Administration Report of the Department of Industries, Bengal, for the year 1933-34.

GOVERNMENT OF BENGAL.

Department of Agriculture and Industries.

Industries.

CALCUTTA, THE 26TH FEBRUARY 1935.

RESOLUTION—No. 1125Ind.

Minister-in-charge: The Hon'ble Nawab K. G. M. Faroqui, Khan Bahadur.

Read—

The Annual Administration Report of the Department of Industries, Bengal, for the year 1933-34.

Mr. A. T. Weston held charge of the department during the first and last parts of the year under review. During the period of his absence on leave, from the 8th June 1933 to the 11th February 1934, Mr. G. S. Dutt, I.C.S., was in charge. The post of Principal, Government Weaving Institute, Serampore, was filled by the appointment of Mr. Bhattacharjee, M.SC. (Tech.) (Manchester). Otherwise there was no change in the superior staff.

2. Though the factors which make for economic depression persisted and barred the way to a revival of industries dependent on world conditions, it is satisfactory to find evidence during the year of advance and expansion in the case of the industries more definitely related to internal trade. Thus a feature of the year in Bengal was the increase in the number of cotton and sugarcane factories, and the general increase in the use of power under organised factory conditions illustrated by the interesting graphs attached to the report.

3. In concentrating on the task of reviving and developing small and cottage industries the department made a useful contribution during the year towards the solution of the problem of unemployment. The staff sanctioned for demonstration in the previous year was continued and was increased by the addition of 21 additional parties. Local advisory bodies were formed in a number of districts with a view to securing non-official advice and assistance in utilising these demonstrations to the best advantage, and the co-operation of the local officers was also enlisted.

4. The results were substantial. Nearly 400 students underwent training, of whom 165 at least are known to have started businesses of their own or to have secured employment or to have taken up advanced training. The improved methods worked out in the Engineering Section were placed at their disposal, and these were particularly valuable in the cases of brass and bell-metal manufacture, where the students have learnt to make some of the less complicated building and sanitary fittings hitherto imported, of cutlery—the manufacture of scissors, for example, has been standardised and an improved furnace introduced—and of pottery, for which a cheap and satisfactory kiln has been invented, as well as new processes of glazing which are expected to stimulate demand. Those who have set up for themselves after their training (and all *bona fide* industrialists) can receive the assistance and advice of the Industrial Engineer in meeting their practical problems. A marketing investigator was also appointed to study the conditions of demand and supply in the case of the smaller industries and to help in finding markets.

5. A valuable contribution to the work was that of the "Good Companions," an organisation of voluntary workers, which established a depôt in Calcutta, where crafts products are displayed in an artistic and attractive fashion, and did much to revive the demand for the products of Indian craftsmanship.

6. Another feature of the year was the issue by the Tariff Board of the results of its enquiry into the conditions of the silk industry. On the basis of this report the Government of India have given a substantial degree of protection to the industry for a period of five years. It is the Director's aim to utilise the advantages so secured, to revive the old silk industry and to restore it, if possible, to something like its former pre-eminence. This can only be done in present conditions if more

scientific methods are introduced such as will enable Bengal silk to compete successfully with the products of other countries. This question and the question of general improvement in organisation are receiving the special attention of the department and of the Collectors of the silk-producing districts.

7. The Industrial Chemist's section continued its programme of research, without which industries cannot develop and expand. The work was based primarily on the practical problems referred by individual industrialists. Special attention was, as before, paid to soap manufacture, the potential importance of which in India is very great, and the investigations resulted in a satisfactory measure of success. Classes were held for trainiig in soap-making. There is at the same time great scope for other oil-seed products, and India's position as one of the largest producers indicates the possibilities of great future development. A scheme for investigation on an all-India basis sent up from Bengal was under the consideration of the Imperial Council of Agricultural Research.

8. Progress was made too in the weaving and allied industries. The number of persons, both of the *bhadralok* and of the cultivating classes, who took up the spinning of various classes of materials, dyeing, etc., as a subsidiary occupation increased. Demonstration parties were at work, and a considerable number of persons, mainly from the Midnapore district, were taught the use of improved appliances. As in the case of silk, up-to-date methods are required if the industry is to thrive, and the scheme by which improved weaving appliances have been supplied to cottage weavers at cost price has proved very successful. The actual cost of the appliances so supplied amounted to Rs. 25,894, and the cost of packing and freight, borne by Government, to Rs. 10,536. The Director reports that the weaver is no longer satisfied with the *kutcha* construction usually found in the bazar when he has once become familiar with the possibilities of a properly constructed loom.

9. The Bengal Tanning Institute maintained its record of useful work in all the main branches of its activities, viz., research, instruction and demonstration, during the year under review. The investigations carried out at the Institute and the technical knowledge in the improved tanning process imparted by it proved of great utility to the industry. It is noteworthy that the tanning industry in Bengal, particularly the manufacture of the better grades of chrome upper leather, has derived substantial advantages as a result of the Ottawa Agreement of 1932.

10. The progress of technical education in all its branches, including weaving education, was maintained during the year under review. In order to make the instruction imparted at the Government Weaving Institute at Serampore more practical, arrangements were made during the year with the authorities of the Banga Luxmi Cotton Mills located at Serampore to give the students of the Institute the benefit of a course of practical training in the mills simultaneously with theoretical training at the Institute.

11. For the considerable measures of achievement attained during a difficult year the Government of Bengal (Ministry of Industries) have much pleasure in thanking Mr. Weston, Mr. Dutt and the superior staff of the department. The Minister in charge also takes this opportunity of conveying his thanks to the members of the Board of Industries and other Boards and Committees associated with the department for the assistance rendered by them.

By order of the Govt. of Bengal

(Ministry of Industries),

Secy. to the Govt. of Bengal.

Resolution on the final report on the floods and relief operations in the district of Rajshahi during the year 1934.

GOVERNMENT OF BENGAL.

Revenue Department.

Miscellaneous.

CALCUTTA, THE 2ND MARCH 1935.

RESOLUTION—No. 3402Mis.

Read—

Letter No. 4162J., dated the 8th December 1934, from the Commissioner, Rajshahi Division, submitting the final report on the floods and relief operations in the district of Rajshahi during the year 1934.

The report deals with the operations for the relief of distress caused by the floods of September 1934 in the district of Rajshahi. The abnormal rise in the river Padma from the second week of August caused serious flooding and extensive damage to crops. It reached its highest level by the first week of September when the water was 63·10 feet above sea level and only a few inches less than the record rise to 64·24 feet in 1879. The low lying lands along the river and its distributaries in this and other districts were inundated, the area affected in Rajshahi district being 300 to 400 square miles. The southern portion of Godagari, Paba and Charghat in Sadar and Lalpur thanas and the western portion of the Baraigram thana in Nator subdivision suffered heavily; 53 villages in Charghat, 30 in Paba and 33 in Godagari police-stations in the Sadar subdivision, and the whole of the Lalpur police-station and unions VII and VIII of Baraigram, being inundated. The cultivators inhabiting the "chars" of the main river were naturally the worst sufferers, lands and houses being washed away and the *aus* crop destroyed. In the "chars" alone, about 2,500 houses collapsed.

Fortunately there was no loss of life or cattle as a direct result of the floods, and timely precautions by the health staff of the district board prevented the outbreak of epidemic diseases.

The distress was at first serious, but it did not last for long, and it is hoped that the inundation will in the end benefit public health and increase the fertility of the land.

Relief measures were promptly undertaken by local Government officers and the district board. To relieve the distress officers were sent out with boats and rice. People who lost their huts were brought, along with their cattle, to the main land. Shelter was given to the homeless, and food was distributed among the starving. A sum of Rs. 2,470 was raised locally for gratuitous relief, Rs. 1,000 was added by the Divisional Commissioner from the relief fund at his disposal, and a grant of Rs. 3,000 was made by Government. 4,198 maunds of rice with small quantities of *dal*, salt, oil, etc., were distributed, chiefly among the "char" people. A sum of Rs. 20,000 has been allotted by Government for distribution as agricultural loans in the district.

The water subsided by the beginning of October and conditions gradually became normal.

The Governor in Council is satisfied that the measures taken for the relief of distress were successful and adequate. He desires to record his appreciation of the good work done by Mr. A. S. Larkin, I.C.S., the Collector of the district, and his staff, by the district board and by relief committees. Among those who generously subscribed to the relief funds, the proprietors of the North Bengal Sugar Mills deserve special mention.

Order—Ordered that this resolution be published in the *Calcutta Gazette*.

Secy. to the Govt. of Bengal.

24-Parganas.—No. 654P.H.—9th March 1935.—In exercise of the power conferred by section 311 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), the Government of Bengal (Ministry of Public Health) are pleased to make the following rules for the regulation of the supply of filtered water to private premises in the Dum-Dum Municipality in the district of the 24-Parganas for domestic purposes only:—

Rules regulating the supply of filtered water to private premises for domestic purposes in the Dum-Dum Municipality.

So long as the Commissioners deem it practicable and consistent with the maintenance of an efficient water-supply, they may allow any owner or occupier of a holding, within the municipality, paying a water-rate imposed under the provisions of Chapter V of the Bengal Municipal Act, 1932, on the annual value of such holding, when such annual value is not less than Rs. 240, to lay down communication-pipes from the service pipes of the Commissioners for the purpose of leading water to such holding for domestic purposes only, subject to the following rules and conditions:—

1. The owner or occupier of any holding requiring water to be laid on to such holding for domestic purposes or requiring any addition or alteration to an existing water-supply must apply for the same on a printed form, to be supplied free of cost, at the Dum-Dum Municipal Office and shall deposit with the application the sum of Rs. 5, which will be returned to him if within six months of the date of application he has paid the fee of Rs. 50 prescribed in rule 2 and which otherwise will be forfeited to the Commissioners.

2. A fee of Rs. 50 must be paid to the Commissioners by such owner or occupier for each connection to a municipal main supply pipe or a common communication-pipe laid in accordance with rule 3 before any work is commenced, such fee to be in addition to all other costs and charges imposed under these rules.

3. Except as provided below each holding must have a separate connection to the municipal main supply pipe and extensions from the communication-pipe of one holding to another holding shall not be permitted:

Provided that with the consent of the Commissioners in meeting connections to two or more holdings may be permitted from a common communication-pipe. Any such communication-pipe must be laid in a street or common passage, and a stop-cock and meter as provided for in rule 7 must be fixed on the connection to each holding:

Provided also that no holding shall have more than one separate connection, but if in any case the Commisisoners are satisfied that an adequate supply to any holding cannot be given through a single connection, they may sanction a second connection thereto.

4. The owner or occupier of the holding in respect of which the connection is required must pay the entire cost of the connection including the supply and fixing of the fittings referred to in rule 7 and must also pay the costs of such alterations in or repairs to roads, drains, sewers, gas or water mains or pipes and the cost of such other works as may be necessitated by or result from the work of making such connection.

6. (*1*) The works required under rules 4 and 5 may, at the option of the Commissioners, either be carried out by the Commissioners themselves at the expense of the owner or occupier of the holding in respect of which the works are required or may be carried out by a person or firm employed by such owner or occupier and approved by the Commissioners.

The ball-cock, cistern and taps attached thereto shall together count as one tap for the purpose of rule 10.

20. No connection shall be permitted to any holding unless and until the owner or occupier makes effective provision to the satisfaction of the Commissioners concerned for draining all waste water away.

Forests.

NOTIFICATION.

No 262For.—9th March 1935.—Government have had under their consideration the question of the preservation of wild birds and animals in forests owned by private proprietors, in some of which it is believed that animal and bird life has been seriously reduced or even in some cases exterminated by poachers and professional *shikaris*. The hunting, shooting and fishing rules framed under sections 26(*1*)(*i*) and 32(*j*) of the Indian Forest Act, 1927, do not apply to private forests, and their proprietors have no remedy against unauthorised hunters, but Government are advised that it is open to them under section 38(*1*)(*b*) of the Act on the application of the owners of private forests to apply section 32(*j*) of the Act to such forests and to make rules regulating hunting, shooting and fishing within their areas. They have accordingly framed the following model rules, which may be made applicable to any private forest by notification in the *Calcutta Gazette* on receipt through the Collector of a written application under section 32(*1*)(*b*) of the Act from the owners of the forest or, where there is more than one owner, of the owners of shares representing at least two-thirds of the properties.

The rules are published for general information.

Bills introduced in the Bengal Legislative Council, Reports of Select Committees presented or to be presented to that Council, and Bills published before introduction in that Council.

BENGAL LEGISLATIVE COUNCIL DEPARTMENT.

NOTIFICATION.

No. 1290L.C.—5th March, 1935. — It is hereby notified for general information that at the meeting of the Bengal Legislative Council held on the 28th February, 1935, a motion was carried that the Bengal Ferries (Amendment) Bill, 1934, by Maulvi Abdul Hakim, M.L.C., be circulated for the purpose of eliciting opinion thereon before the 1st June, 1935. Expressions of opinion by public bodies or by individuals interested in the said Bill, which is republished together with its Statement of Objects and Reasons in this Gazette, should be sent so as to reach the undersigned before that date.

J. W. McKAY,
Secy. to the Bengal Legis. Council.

THE BENGAL FERRIES (AMENDMENT) BILL, 1934.

A

BILL

to amend the Bengal Ferries Act, 1885.

WHEREAS it is expedient to amend the Bengal Ferries Act, 1885, in the manner hereinafter appearing;

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Ferries (Amendment) Act, 1934.

Extent and commencement.

2. It extends to the whole of Bengal.

And it shall come into force at once.

Amendment of section 9 of Ben. Act I of 1885.

3. At the end of section 9 of the Bengal Ferries Act, 1885, the words " provided such term shall not exceed three years " shall be added.

STATEMENT OF OBJECTS AND REASONS.

The object of this short amendment is to fix the maximum limit to the period to which a ferry should be leased. In some places the ferries are leased to farmers for long periods, namely, 10 to 15 years. In the district of Mymensingh the first class ferries have been leased for 15 years and the second class ferries have been leased for 10 years to a very rich ferry farmer. A great deal of exaction and exploitation is committed by these long termed ferry farmers upon the ignorant and helpless passengers during this long period in respect of ferry charges to be realised on goods and conveyances such as *dulis*, carts and *palanquins*, etc. Monopoly of any trade is harmful to the best interest of people at large. It is also financially injurious to the best interest of District Boards themselves. This power of granting long lease has been instrumental to scaring away the small farmers making rooms for only big ones with big purses.

Another reason for this amendment is that a Board should not be allowed to tie the hands of its successor in respect of the management of the Board's finance. This practice of allowing one Board to forestall the actions of a succeeding Board is bound to interfere with the efficient management of a Board and is against the principle of electing a new Board every third year or fourth year. If one Board is allowed to tie down the financial hand of all future Boards, where is the necessity of having a new Board few years after ?

In the opinion of the mover a lease for a term not exceeding three years will be best suited to the legitimate interest of District Boards and ferry farmers alike.

BENGAL LEGISLATIVE COUNCIL DEPARTMENT.

NOTIFICATION.

No. 1322L.C.—6th March, 1935.—In pursuance of the provisions of rule 20 of the Bengal Legislative Council Rules, 1920, the following Bill which was introduced in the Bengal Legislative Council on the 28th February, 1935, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE ESTATES PARTITION (AMENDMENT) BILL, 1934.

A

BILL

to amend the Estates Partition Act, 1897.

WHEREAS it is expedient to amend the Estates Partition Act, 1897, in the manner hereinafter appearing ; Ben Act V of 1897.

AND WHEREAS the previous sanction of the Governor General has been obtained under sub-section (*3*) of section 80A of the Government of India Act to the passing of this Act ; 5 & 6 Geo. V., C. 61 ; 6 & 7 Geo. V., C. 37 ; 9 & 10 Geo. V., C. 101.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Estates Partition (Amendment) Act, 1934.

Commencement of the Act.

2. This Act shall come into force at once ; and it shall apply not only to partition proceedings which may be instituted hereafter, but also to such proceedings commenced before the passing of this Act but not finally disposed of.

Amendment of section 5 of Bengal Act V of 1897.

3. In section 5 of the Estates Partition Act, 1 7, after sub-section (*5*), the following sub-section shall be inserted, namely :—

"(*6*) Notwithstanding anything contained in sub-section (*3*) of section 5, if the interest of such recorded proprietor consists of an undivided share held in common tenancy in specific mouzas or tracts forming part of the parent estate but not extending over the whole area of the parent estate, the Collector, may, if he thinks it equitable and convenient, assign to him as his separate estate lands, either from such specific mouzas or tracts, or from other mouzas or tracts or partly from such mouzas or tracts and partly from other mouzas or tracts of the parent estate, the assets of which shall bear the same proportion to the assets of such specific mouzas or tracts as his undivided share in such specific mouzas or tracts bears to the entire mouzas or tracts."

STATEMENT OF OBJECTS AND REASONS.

It has been found that the provisions of sub-section (*3*) of section 5 of the Estates Partition Act V, 1897, may be used by a designing proprietor to cause serious inconvenience and irreparable mischief to another co-sharer proprietor and to tie the hands of the partition authorities in making an equitable partition.

For instance, suppose A and B are the two proprietors owning, respectively, 15-annas and 1-anna share in an undivided estate held in common tenancy. A does not live within the estate, but B has his homestead in it. There is a block of common land just contiguous to B's house forming his compound which, on the grounds of equity, convenience and compactness should be allotted to B at the time of partition, in respect of his 1-anna share. With a view to cause serious inconvenience to B, A selects that very block and transfers his 15-annas share of it to his son C. C gets his name registered and then A or B or C applies for partition.

Under section 5, sub-section (*3*), as it now stands, the partition authorities are bound to form a separate estate for C with 15-annas of that block, and they have no power to allot the entire block to B and to compensate C by other lands of equal assets.

The Bill is intended to remove this defect and empower the partition authorities to make an equitable partition notwithstanding any device which may cause difficulty and inconvenience to a co-sharer.
